PREMIUM CV WRITING SERVICES – Our Approach

- **We identify a career path** relative to jobs (i.e. look at how candidates interact with the job market)
- **We define the best CV strategy** in relation to career aspirations, motivations and circumstances
- **We create a CV outline plan** to carefully position and target CV in relation to actual job roles
- **We undertake a gap analysis** to identify further information requirements and deal with any issues
- **We develop ideas & examples** with customers to create the best possible CV marketing document

CV Progression: **We write CVs from scratch** - periodically we request more information and clarification

CV INFORMATION REQUIREMENTS

- **Send existing CV**, CV notes or any other relevant information
- **Application Form** - complete first 3 sections - Personal Information, Career Questions & Skills Profile.
- **Send 2-3 examples** of jobs you are interested in – helps to target and position CV to what you want.

Exception: **If no existing CV**, complete **ALL** relevant areas on the application form to build up information.

VALUE ADDED SERVICES

- **LINKEDIN Profile Writing and Optimisation Service** – network contacts and businesses on **LINKEDIN**
- **Telephone Mentoring and CV Support Service** – additional on-going support (**subscription required**)
- **Useful Interactive Interview Coaching Software** – endorsed by well-known organisations like the **BBC**
- **Professional and Executive CV Distribution Services** – access a large network of UK recruiters at once!
- **Winning CV Bookstore via Amazon.co.uk** – purchase additional career resources using Amazon.co.uk
